

Technical drawing He-2 showing a plan view of a road intersection and surrounding area. The drawing includes property boundaries, building footprints, and road layouts. Key features include:

- Intersection of Gyulai utca and Utócai utca.
- Property boundaries with owner names (e.g., Csallagózik a He-1 sz. rajzhoz).
- Building footprints and surrounding vegetation.
- Technical annotations including dimensions, bearings, and area calculations.

Project information and signature block for He-2. It includes fields for:

- Project name: **Vakondok '97**
- Client: **Tervező Iroda Kft.**
- Project location: **Gyulai utca, Utócai utca**
- Project date: **2016. december 33/2016**
- Project scale: **1:500**
- Project status: **He-2**
- Project description: **Geográfiai térkép, mely kiegészítve a csallagózik a He-1 sz. rajzhoz**
- Project owner: **Békési György**
- Project address: **1041, 9410**
- Project contact: **Békési György**
